

### LIFE ABUNDANT

If you would have that life abundant  
You must go that second mile.  
You can have that peace and comfort  
And receive His precious smile.

What have you done for Him today?  
Have you helped someone to find the way  
Who had wandered from the narrow track,  
When a friendly hand could have brought him  
back.

As you go through life there are trials to bear  
But there is One who will always care,  
Put your trust in Him and you will see  
Just what He means, "Put your trust in Me."

### LIFE IS LIKE A JOURNEY

Life is like a journey on the stormy sea,  
Christ's voice once stilled the angry waves  
And brought tranquility,  
He healed the blind and cured the sick,  
And He also healed the lame,  
His hand, it is not shortened,  
He still can do the same.
